

Hat Color	Description of your Role
White	Information: considering purely what information is available, what are the facts?
Red	Emotions: intuitive or instinctive gut reactions or statements of emotional feeling (but not any justification)
Yellow	Optimistic: logic applied to identifying benefits, seeking harmony
Green	Creativity: statements of provocation and investigation, seeing where a thought goes
Black	Discernment: logic applied to identifying reasons to be cautious and conservative
Blue	Manager: The Blue Hat is used to manage the thinking process.
